CHAMINADE

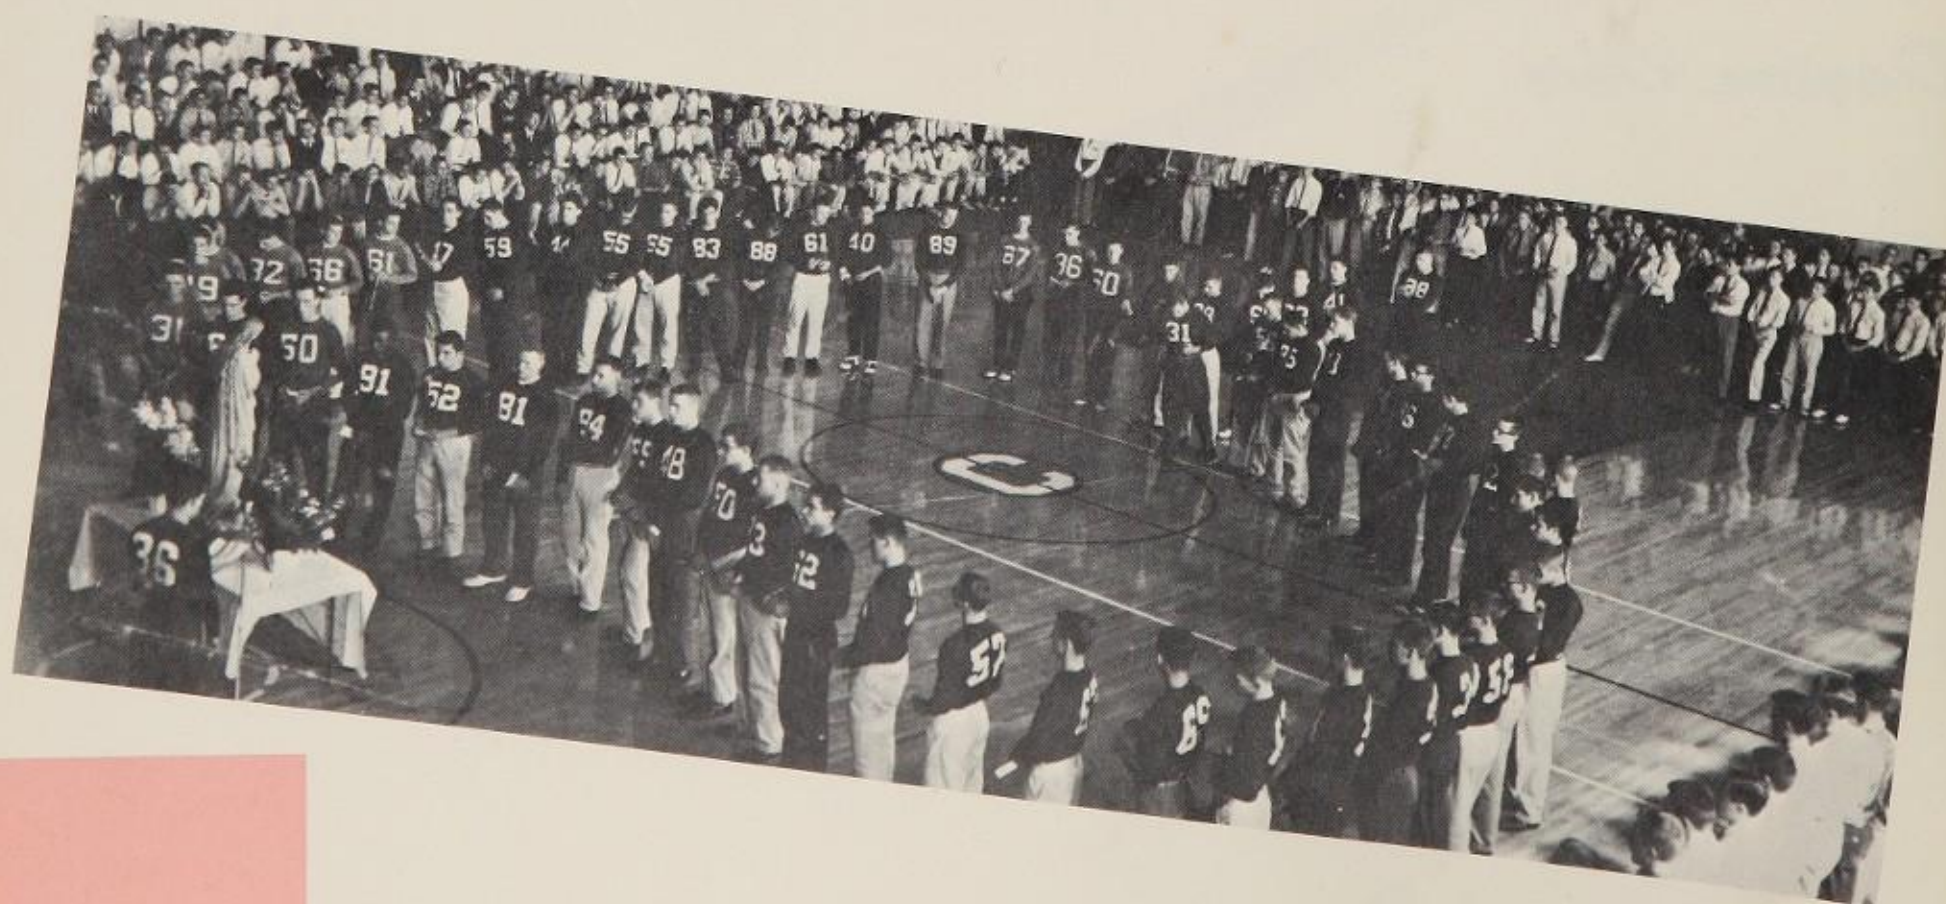

High School

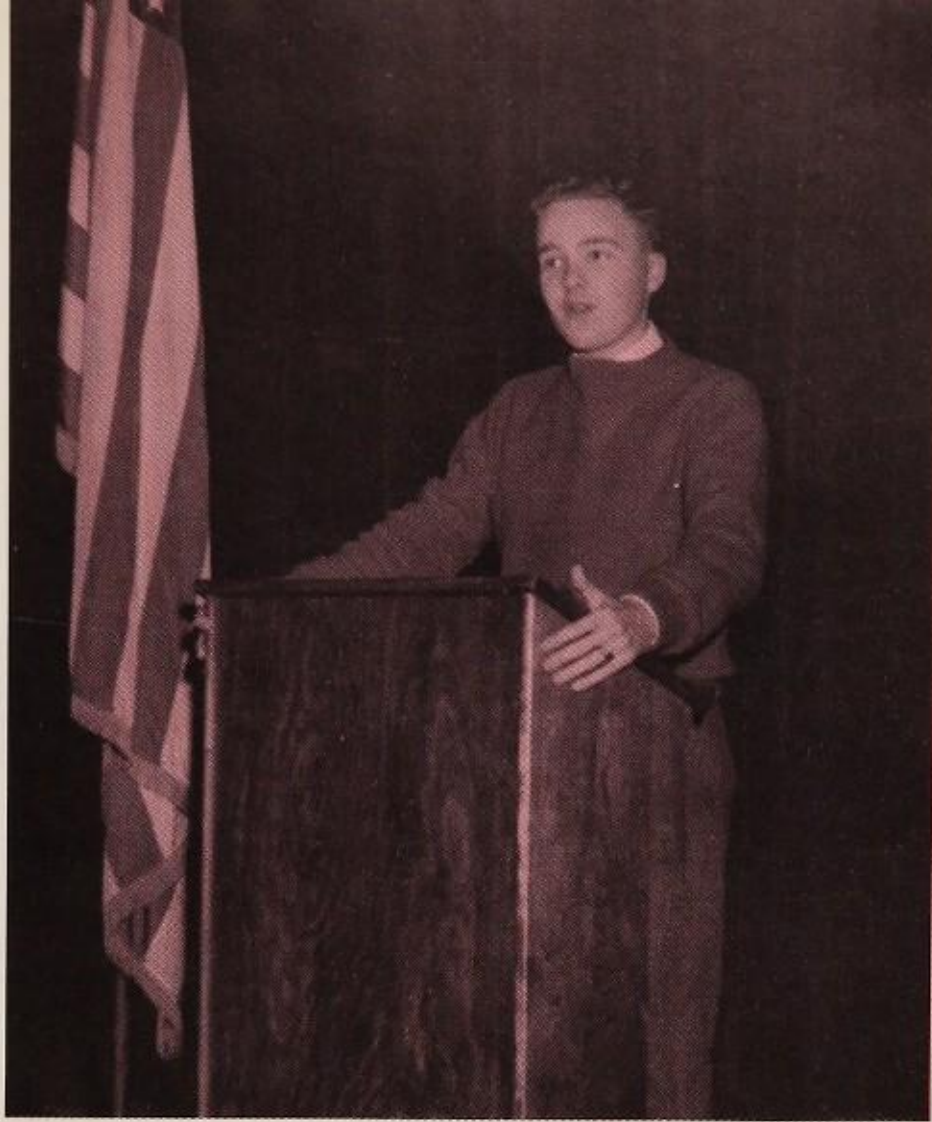

For God . . .

The Catholic is a citizen of two worlds. Chaminade High School, in training youth to take its part in the future, must realize this duality and make its education meet both goals. The spiritual activities, under the watchful eye of the Blessed Mother, are constantly giving the students opportunity to develop a strong religious spirit. Various religious functions are in progress throughout the school year. The Holy Sacrifice of the Mass is offered daily, the Sacrament of Penance is available before and after school each day, and there are special devotions during October, Lent, and May. In all these activities, the role of Mary in man's spiritual life is given fullest recognition.

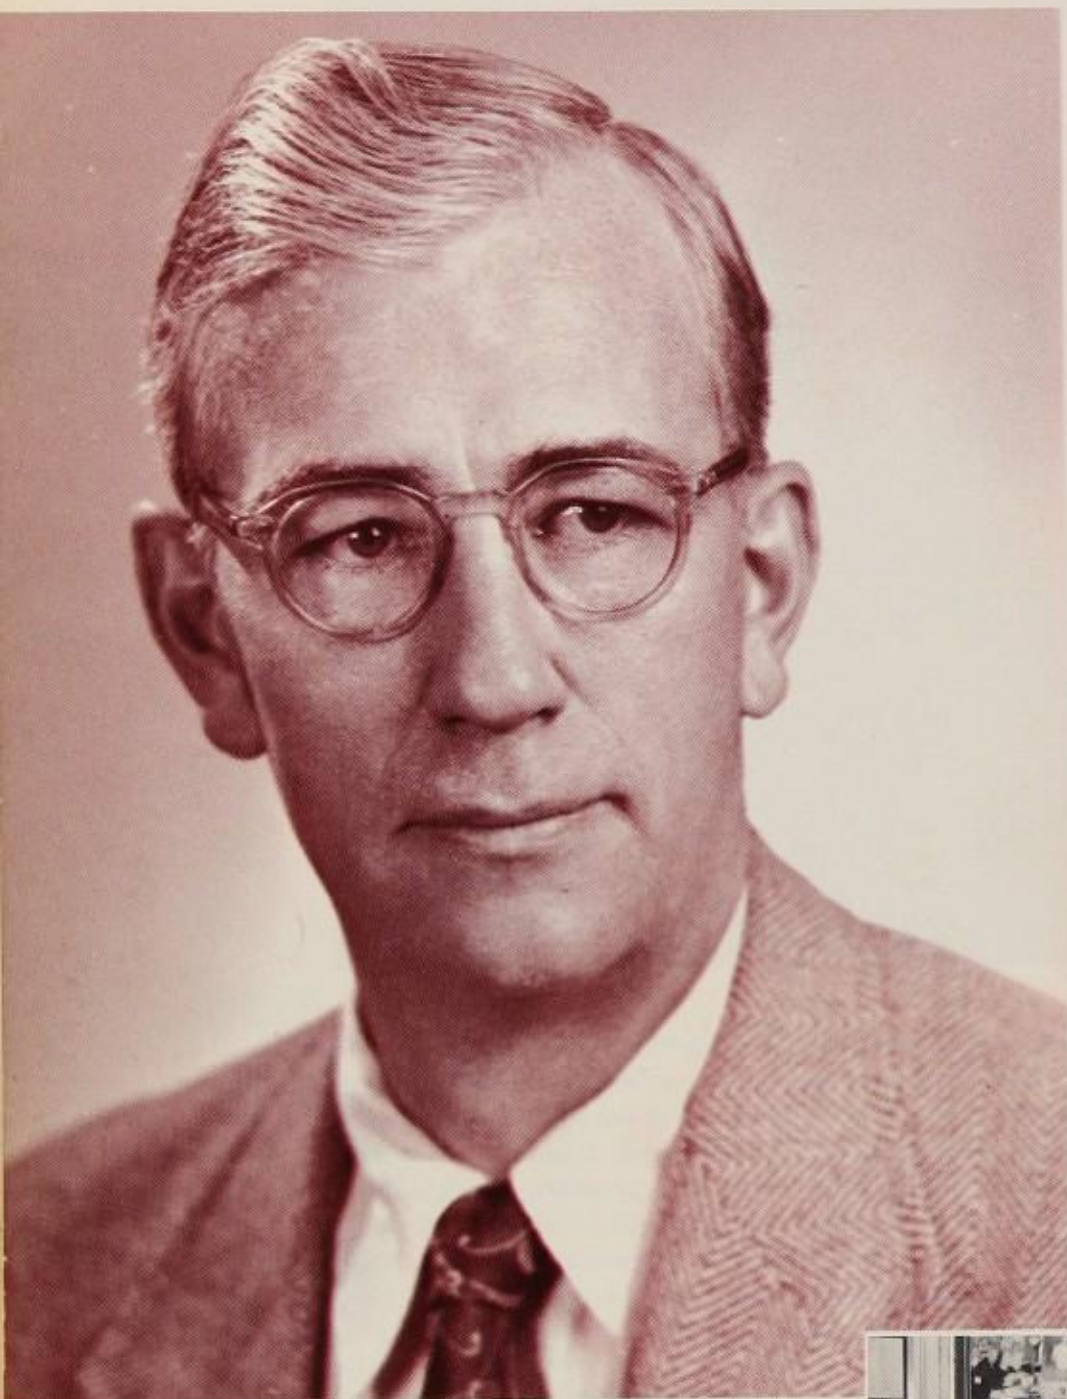

and Country

While busying itself with this religious training, the school cannot forget that our country needs to have sturdy leaders to insure its progress and security for the future. In addition, the student must be capable of earning his living and supporting a family. To meet these ends, there is an effort to impart instruction of the highest calibre in all fields of study proper to the modern high school. Besides, an attempt is made to develop any special talents the student may have in the arts, in athletics, or in leadership. The product of this education should be a strong, intelligent leader, ready to dedicate his service to God and country.

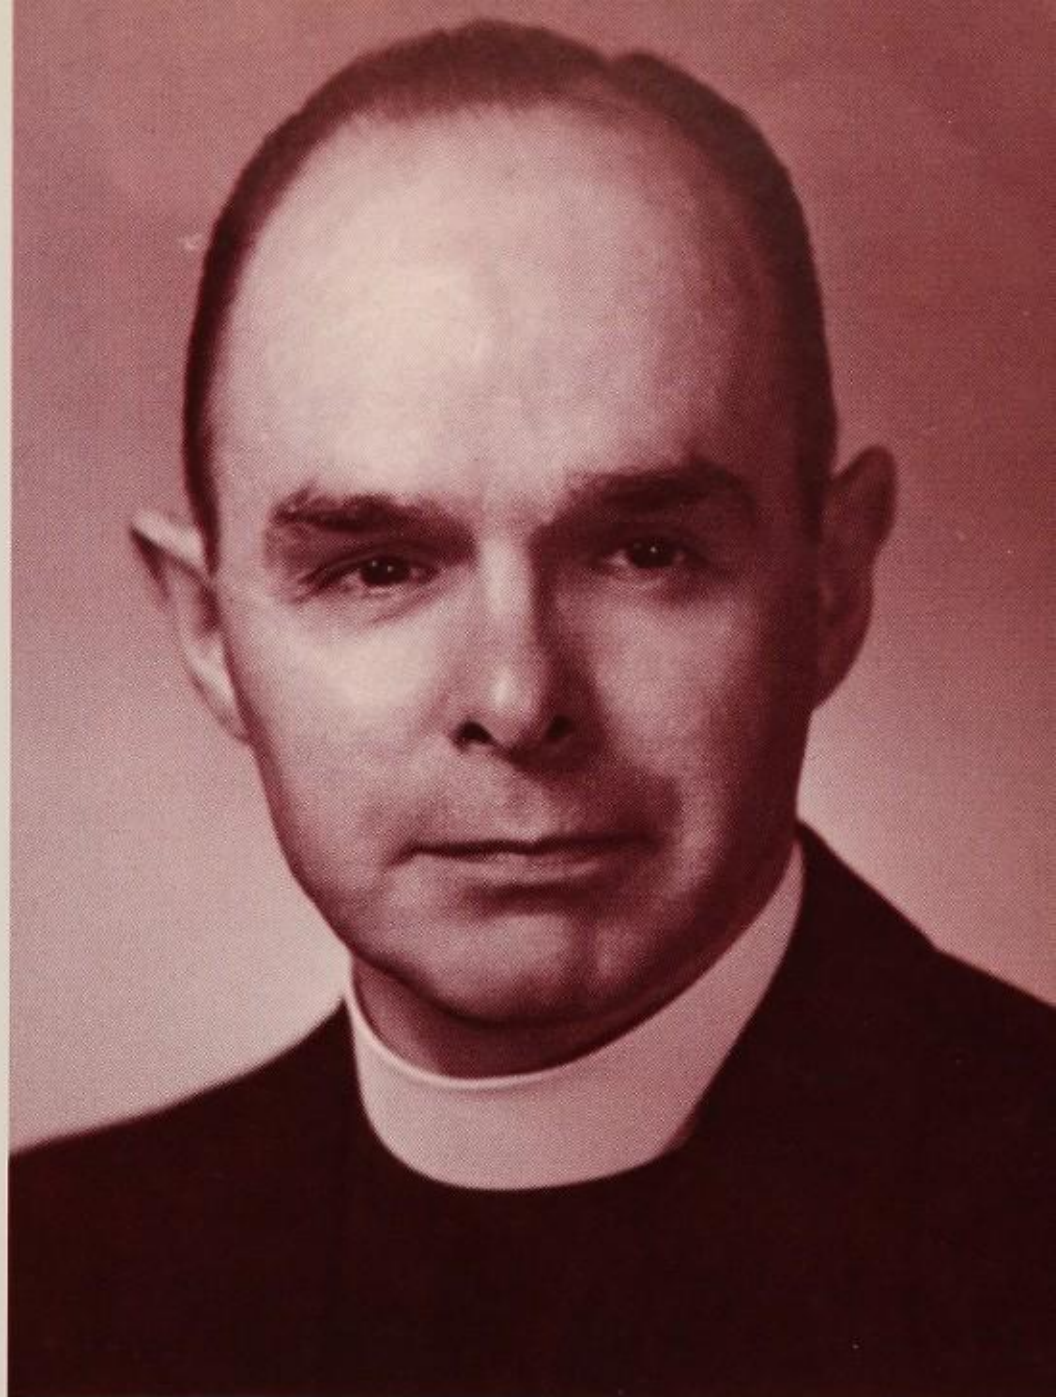

Dedication

Coach, teacher, and friend. This is the part Mr. Gerard Faust has taken at Chaminade for the past 25 years. "Fuzz," as he is called by his friends, was born in Buffalo, New York. He attended Cathedral Latin High School in Cleveland and earned an engineering degree and his teacher's degree at the University of Dayton. Since he came to Chaminade in 1933, Mr. Faust has been, at various times, the head coach of football, basketball, baseball, and track. "Fuzzy" has taught everything except chemistry, physics, and typing. Throughout his career at Chaminade, he has been one of the chief contributors in the formation of the Chaminade Spirit.

Service

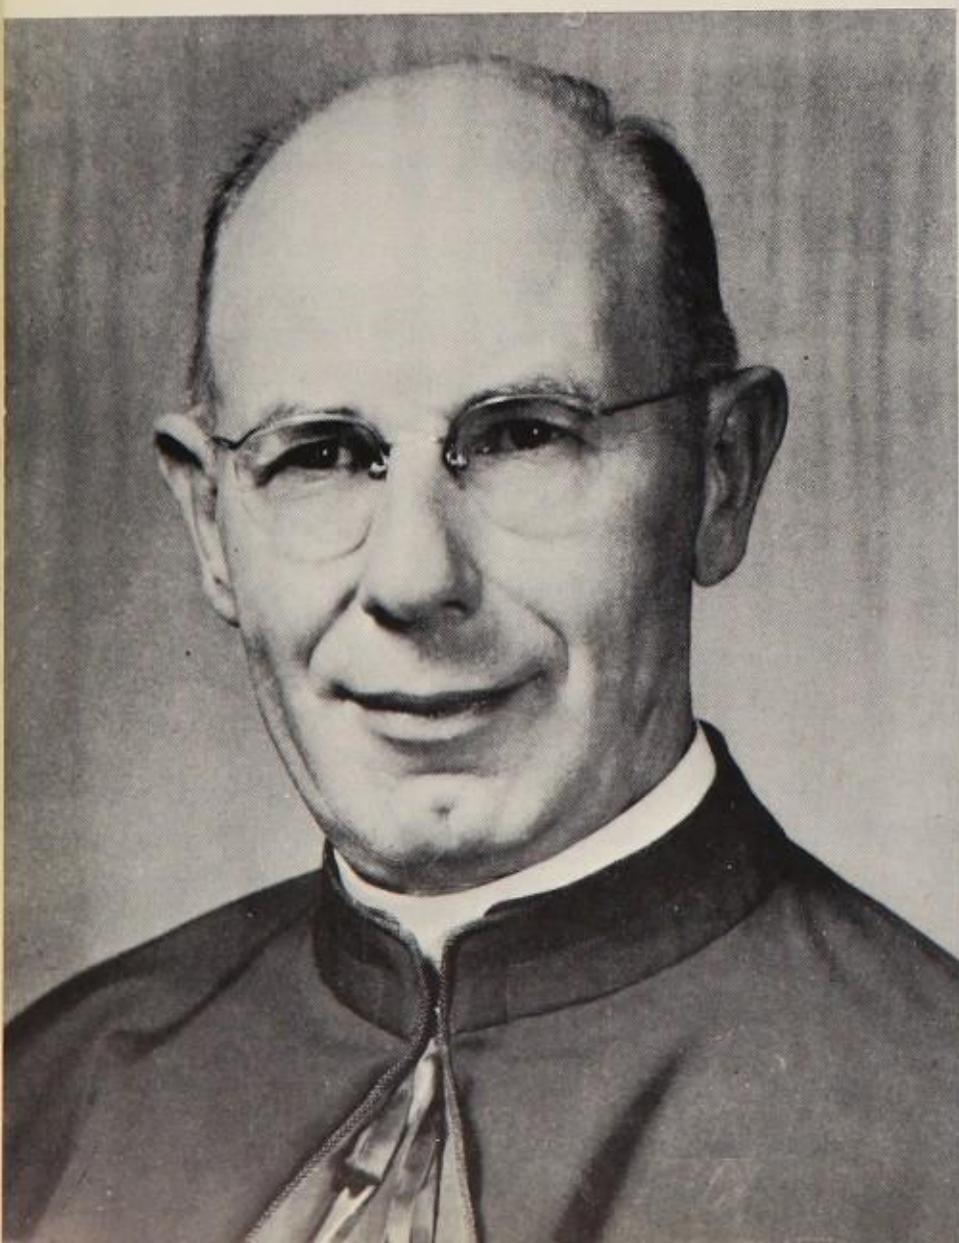

A native of Cleveland, Father Francis Gerber joined the Society of Mary in 1929. He made his perpetual vows in 1937. Father entered the seminary in 1942 and was ordained in 1945. His early teaching experience was obtained at Chaminade, Dayton and Chaminade, Mineola. His most important assignment, Father feels, was the missionary work he did at Saint Joseph's College in Yokohama, Japan, from 1948 to 1955. Since 1956, Father has been here at Chaminade, where he has been teaching religion and has recently become Director of the Sodality. We are proud to have Father with us and, in order to help him celebrate his 25 years of service to us, we dedicate this book to him.

Brother Herman Lambers has held many and varied occupations. He has shown skill as an engineer, mechanic, work supervisor, and cook. Brother spent seven years as Business Manager at Mount Saint John. He was one of the pioneers in setting up Chaminade Preparatory at Marcy, New York. In January of 1952 he was called upon to open and manage the new cafeteria here. Brother Herman spends nearly 12 hours a day in the cafeteria. He starts at 6:00 a.m. and finishes after 5:00 p.m. Brother Lambers was born in Cincinnati and belonged to Saint Agnes Parish. We are happy to join in congratulating him on his Silver Jubilee.

My Dear Graduates,

You have finally reached the pinnacle of your high school career. There remains only the awarding of the diplomas before you take a step into the unknown future. Are you prepared for this step? For twelve long years you have looked forward to the day when you would be "out of school." For twelve long years your teachers have endeavored to instill into your hearts the love of God and the love of neighbor.

It is of great significance that you may count yourselves among the graduating classes of this Centenary Year of the apparition of Our Blessed Mother at Lourdes in 1858. In a society, barely conscious of the ills which assail it, Our Lady appeals to you just as She appealed to the humble maiden, Bernadette Soubirous, one hundred years ago; "You must pray to God for sinners."

Already in the first grade of school you learned that "God made me to know Him, to love Him, and to serve Him in this world in order to be happy with Him forever in the next." For no other reason were you brought into this world, and for no other reason will future generations be created. How do you measure up to this obligation? Have you become well enough acquainted with the Mother of God to enable you to feel secure on the path of life? If you find the world around you in a troubled, uncertain state, it is simply because others before you have not learned the real reason for their existence. They have kept God and Mary out of their plans, and so it is now up to you to instill into other hearts, while finding your place in the business world, the love of God and the love of neighbor.

Many of your graduating class who could have been with you on this happy occasion, are already serving God and Our Lady as other apostles in some seminary or religious order. But whether God wants you to serve Him as a single layman, as a member of the married state, or as a priest or religious, may you go forward with the deep conviction in your heart that "You Can Change the World."

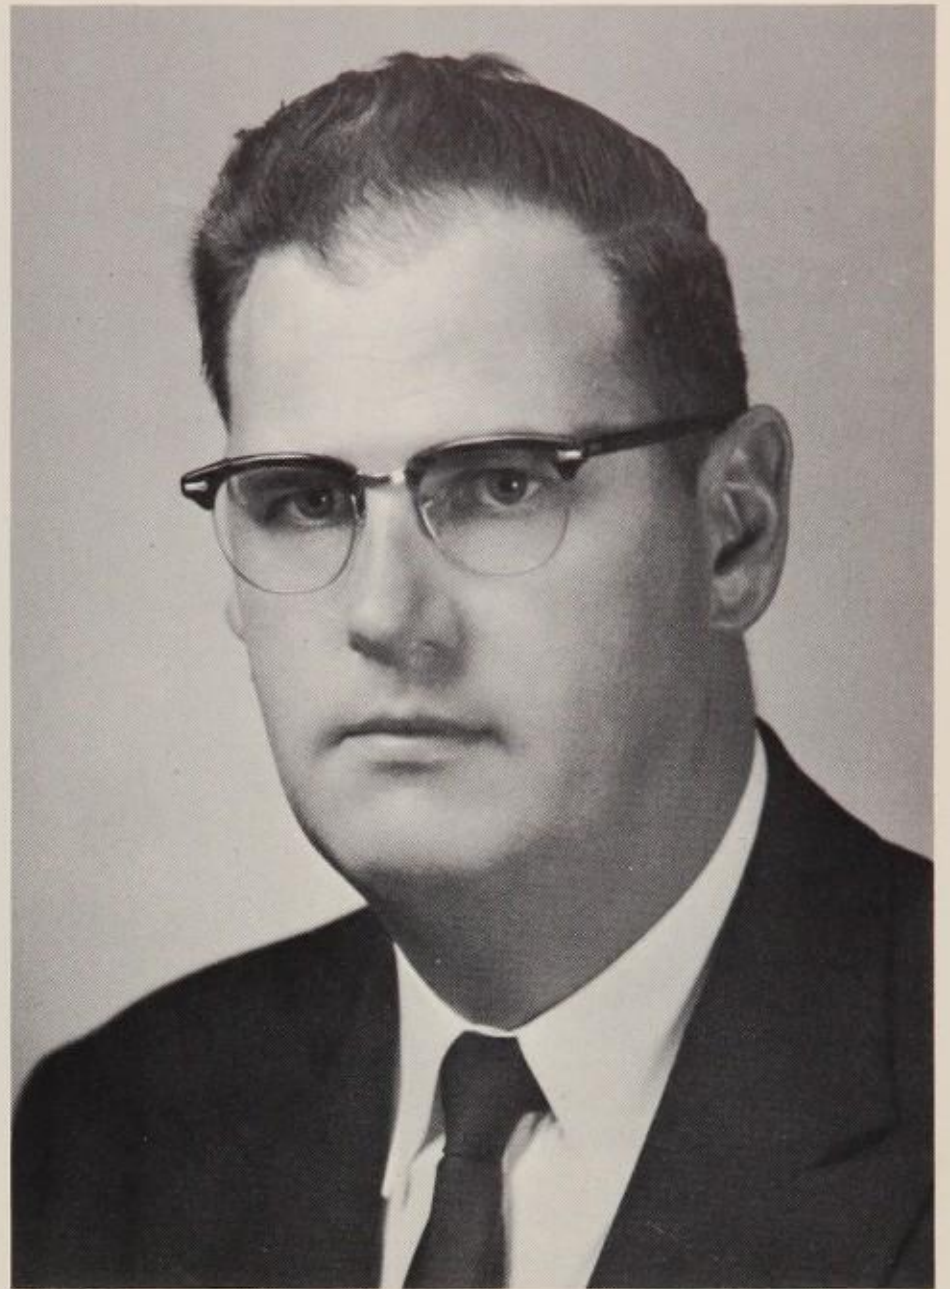

It is my wish and the wish of every member of the Chaminade Faculty that God and Our Blessed Mother shower you with choicest graces and blessings throughout the rest of your life.

Sincerely yours,

Brother Charles Opferman, S.M.

ATHLETICS

Football Staff

In his first season as head football coach, Mr. Ed Regan proved to be a highly capable successor to "Fuzzy" Faust. Mr. Regan has brought the Eagles back to the height which they enjoyed for eleven years under Mr. Faust. Before assuming the top position, Mr. Regan served as assistant coach in order to become acquainted with the personnel. Ed is an alumnus of Chaminade. After four years of service in the Marine Corps, Mr. Regan entered Bowling Green University. In 1951 he returned to Chaminade as a teacher and coach. Three years later he accepted the position of head coach at Cleveland Holy Name. Finally in 1956 he became assistant to "Fuzzy" Faust. To Mr. Regan we wish more of this same success.

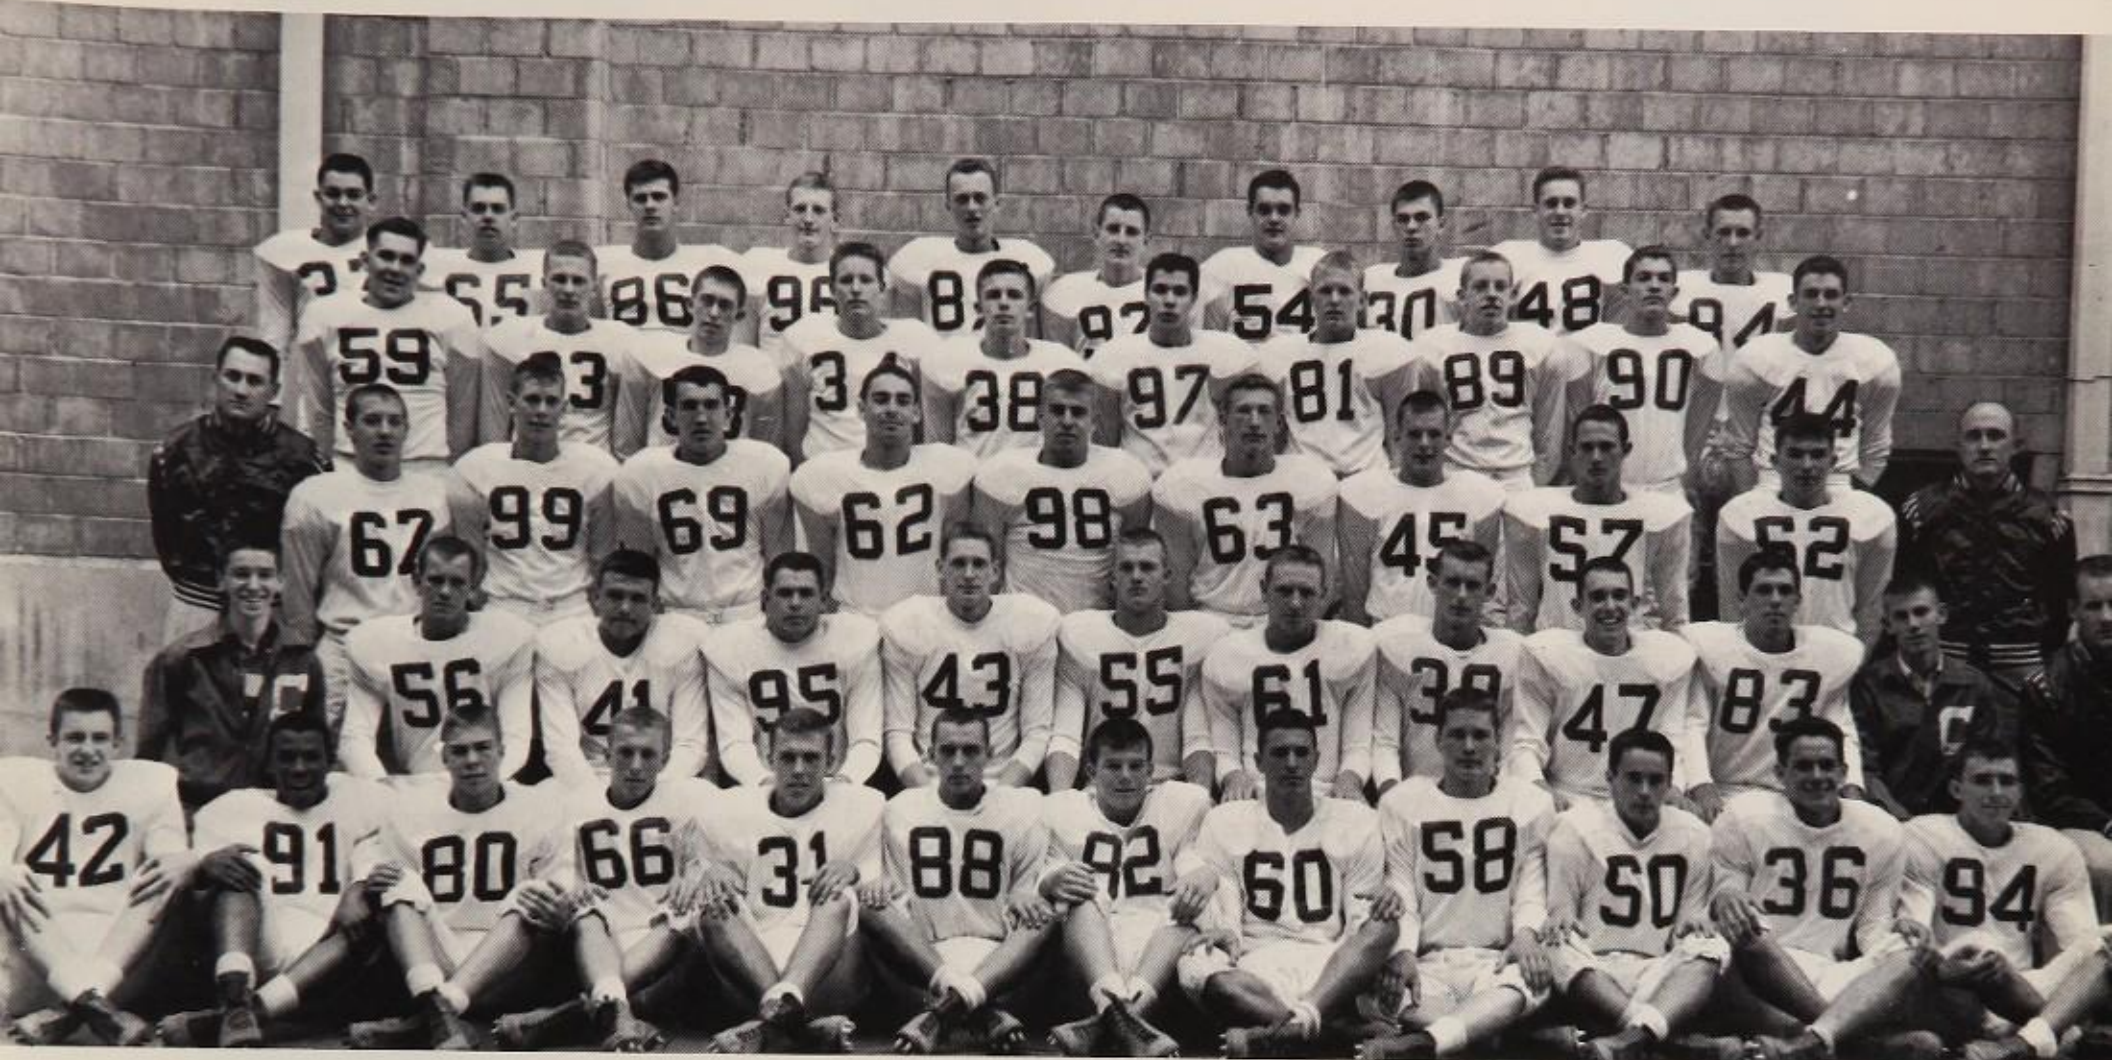

Two additions to this year's coaching staff are Glen Dillhoff and Vern Weber. Glen Dillhoff was a member of the 1950 graduating class of Chaminade. In his senior year Glen was an All-City and an All-State selection in football. His outstanding collegiate play at the University of Cincinnati merited him a place on the honorary All-Ohio team during his junior and senior years. After he served his term in the Marines, Glen returned to his Alma Mater as a teacher and a coach. Vern Weber is a product of Solon High School near Cleveland. While at Solon, Vern earned the remarkable total of twelve varsity letters. Vern attended college at U.D. and was an outstanding fullback and line backer on the team that went to the Salad Bowl. After obtaining his Masterate in Physical Education at Ohio State, he went to the Army, coached football here in the States, and was selected as one of the coaches for the Interservice Rice Bowl in Toyko. To show his versatility, Vern also coaches reserve basketball and golf.

Roosevelt Chaminade Scrap to 6-6 Deadlock.

The Eagles' first encounter placed the defensive unit in the spotlight. With less than four minutes remaining in the game, the stout defenders check the Roosevelt offense for three successive downs within the Eagle one-yard line. Behind a sturdy wall of blockers, sophomore Tom Schroer raced 72 yards down the sidelines with a Teddie punt for the Eagles' single touchdown.

Chaminade Buries Detroit 46-7.

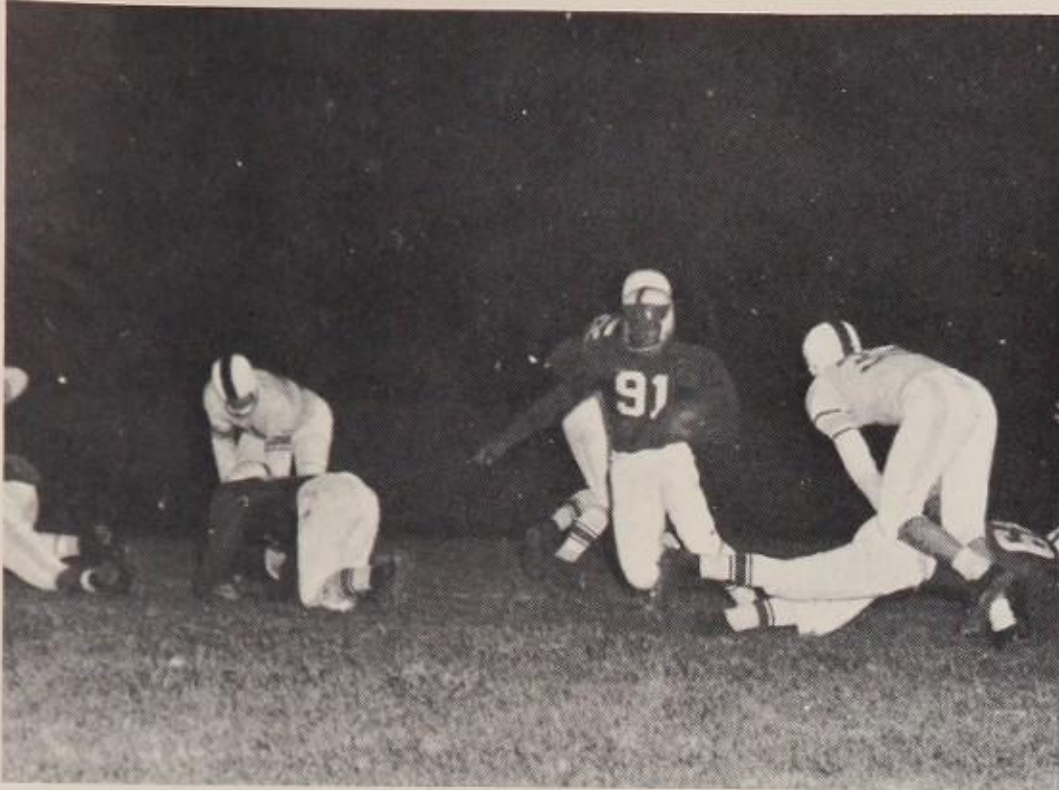

Undaunted by adverse weather conditions, the Eagle offense displayed its biggest scoring spree since the '53 season. Six different players broke into the scoring column. Detroit's initial first down did not come until Chaminade had a commanding 39-0 advantage. The reserves also turned in a commendable performance.

Chaminade Whips Fairview in 38-6 Romp.

A balanced offensive attack overpowered Fairview as the Eagles combined three touchdowns on the ground with three by air. Alert defensive play recovered many of Fairview's fumbles enabling the team to score a decisive victory.

Eagles Use Variety to Rip Stivers 37-0.

In their first City League game the Eagles convincingly shut out Stivers. Five different Cham-inade players scored as Ron Haag tallied two touchdowns.

Roger Bacon Ticks Chaminade 18-6.

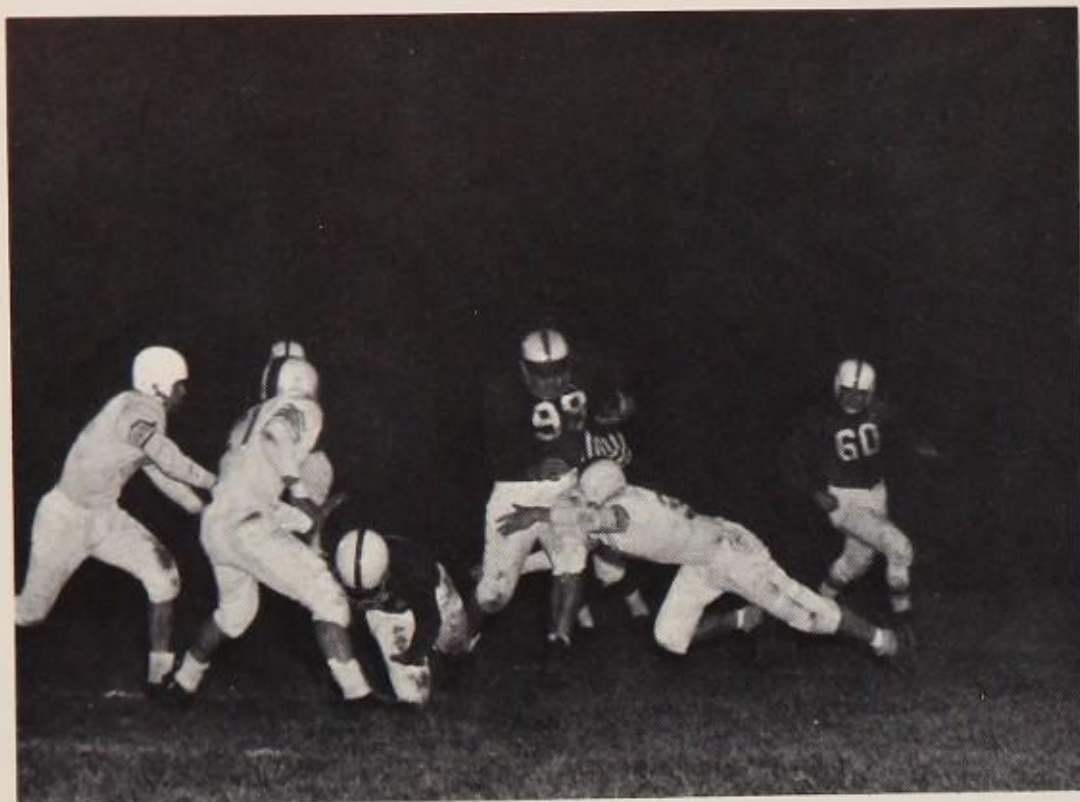

Handicapped by a rash of injuries and the Asiatic flu, the Eagles tasted their only defeat of the season at the hands of a surprisingly strong Roger Bacon. Tom Albers climaxed an 82 yard drive late in the fourth quarter with a 19 yard sprint to the lone Eagle tally.

Chaminade in 35-0 Win Over Wilbur Wright.

In a game which proved the Eagles' supremacy in the Eastern Division, the Eagles humiliated the high-flying Wilbur Wright Pilots. Dick Tangeman enjoyed the best night of his career as he provided the offensive punch by scoring four touchdowns. The Eagle defenders contained Wright's fleet-footed backs, while the offense ran up a total of 442 yards rushing.

Chaminade Tromps Kiser 32-0.

The Eagles continued their excellent play by gaining over 400 yards rushing and once again holding their opponents scoreless. Senior Will-born Smith turned in an outstanding performance highlighted by a 75 yard touchdown run.

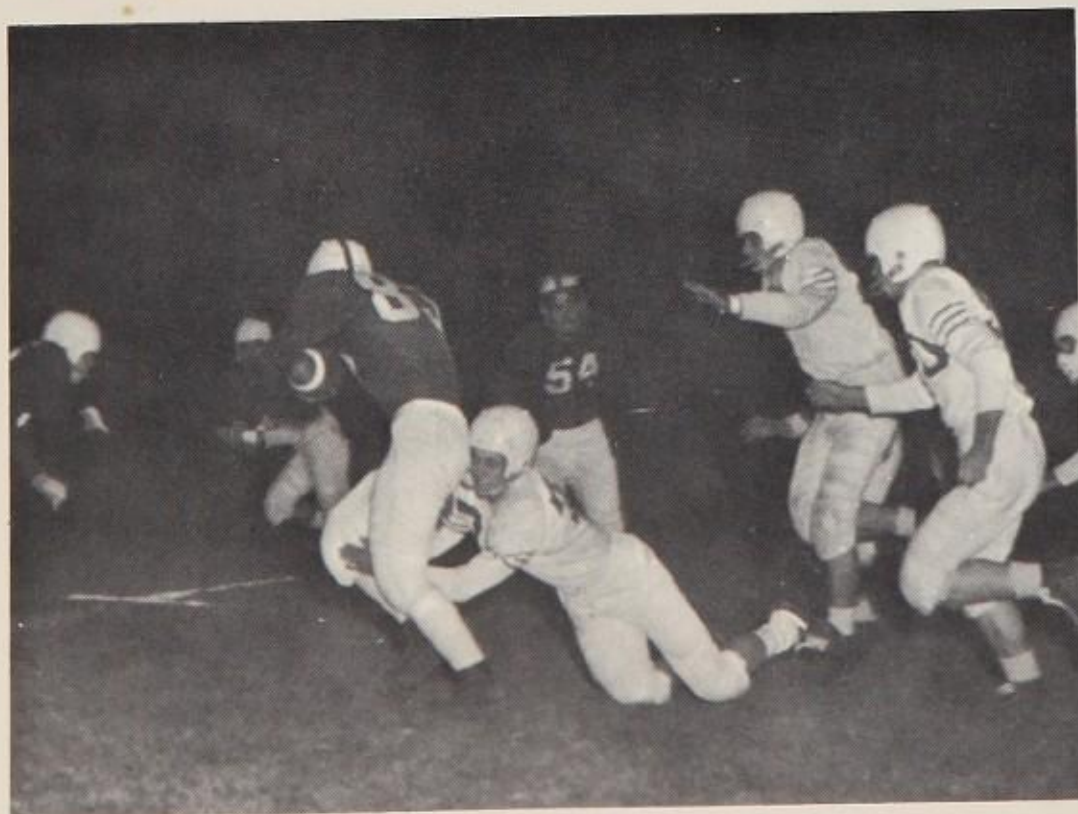

Eagles Tie Scott 13-13.

Fumbles, penalties, and pass interceptions impeded the Eagles' quest for their fifth victory. A stubborn Toledo Scott team matched the Eagles' in fumbles, gained on interceptions, and emerged with the exact same total of points. Chaminade's two tallies in this 13 to 13 deadlock came on Jack Unverferth's 30 yard pass to Mike Monaghan and Dick Tangeman's 24 yard advance of a Chaminade fumble.

Chaminade Blasts Belmont to Reach City Title Tilt.

This impressive victory secured for the Eagles their second straight Eastern Division Championship. Dick Tangeman's two touchdowns captured for him the city scoring crown as he amassed 66 points in league play. Jack Unverferth tossed touchdown passes to Gary Finnegan and Ed Travis. In addition, Sophomore Tom Clements sped 74 yards to paydirt to supplement the Eagle scoring. Chaminade had to give up a touchdown in the City League on a referee's ruling of pass interference and settled for a score of 49-7.

Chaminade Wins Its 13th City Grid Title

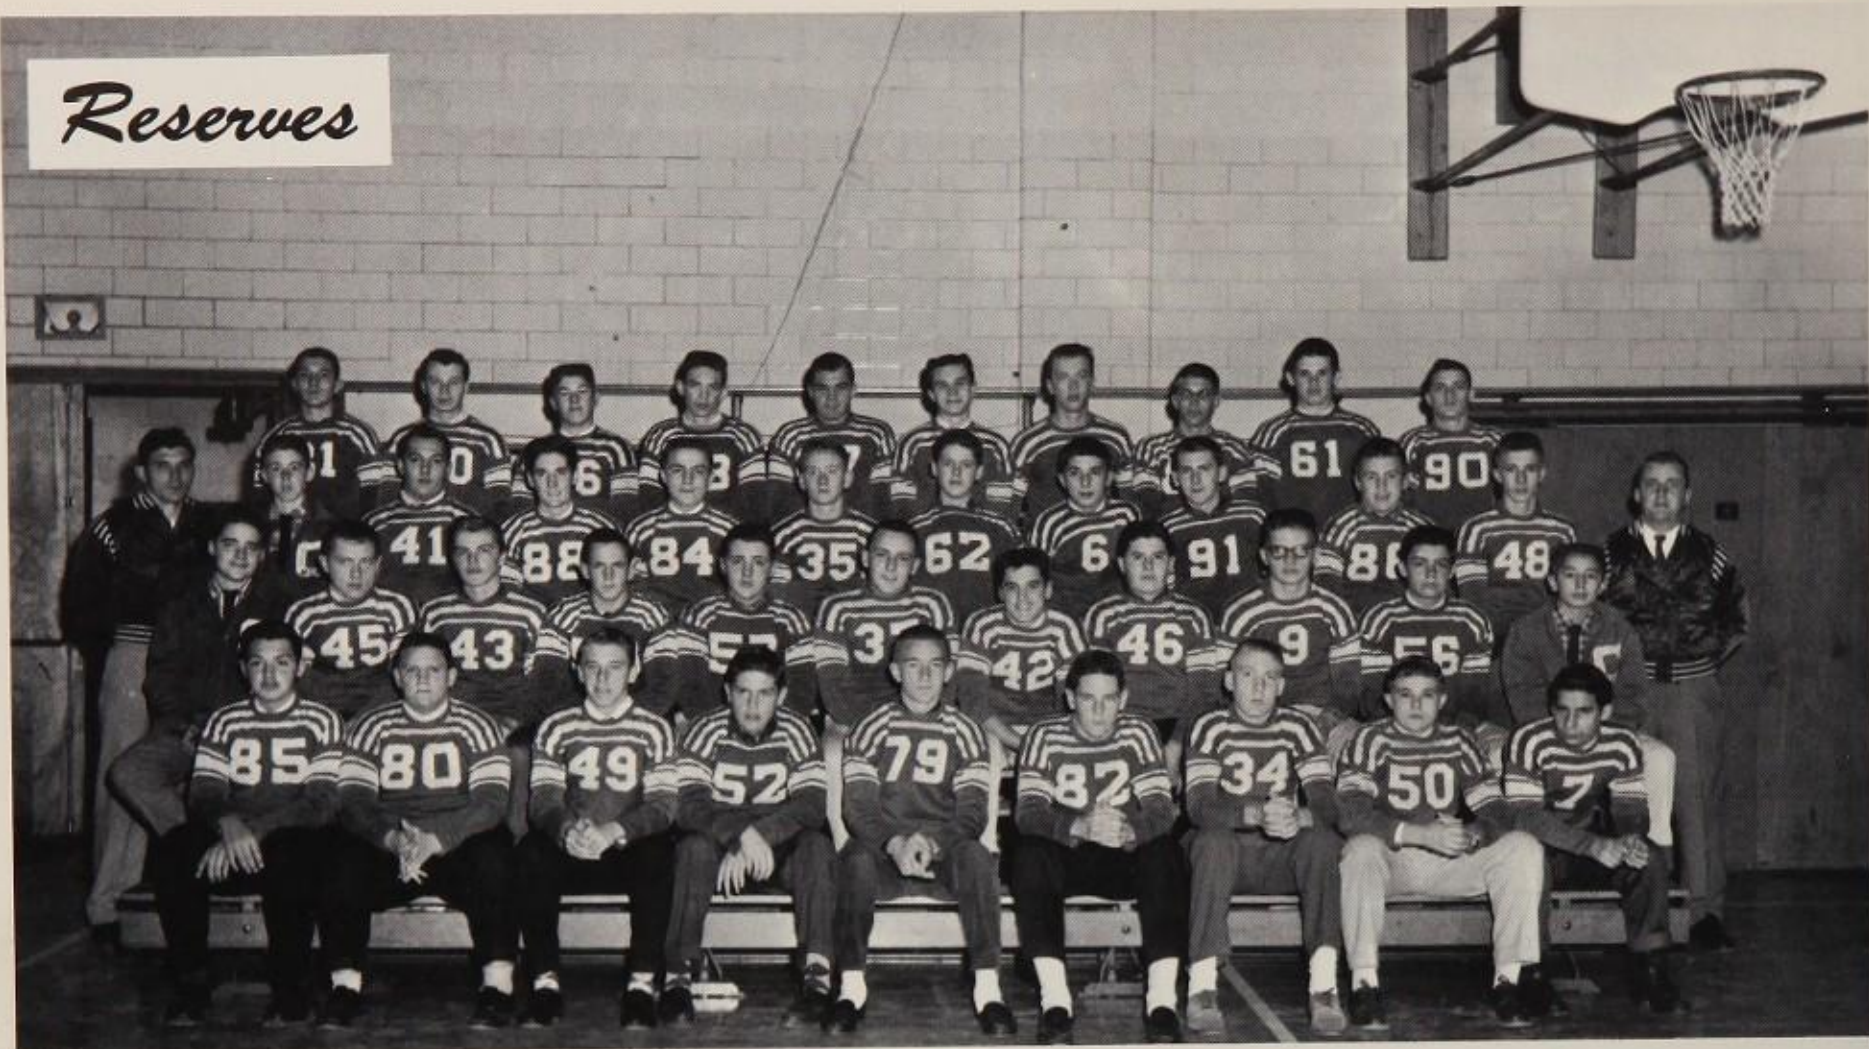

Elaborate ceremonies, including a parade of floats, preceded the Championship Game. This important game not only was to decide the City Championship, but also was to commemorate the fiftieth year of organized football in Dayton. The contest for the best float in the parade was won by Chaminade.

The game itself was worthy of a title match, with both teams playing their hearts out to capture the Crown. Chaminade gained a seemingly comfortable three touchdown lead before Dunbar's ace passer, McGuire, uncorked two aerials to paydirt. John Civile took a punt return all the way for a touchdown, and Jerry Thies intercepted two passes to put down the Dunbar uprising. The Eagles emerged from the encounter on the long end of a 24-13 score.

Season Resumé

Under the able leadership of coach Tom Frericks, the Eagle courtsters compiled a 13 win—8 loss record. The hoopsters ran off four straight victories before they lost two down-to-the-wire contests in city league competition. These hard luck defeats set the pattern for the ill faded Eagles, as they lost five city league games by a total of seventeen points. Other defeats were inflicted by the mighty Middletown Middies, a powerful St. Xavire quintet, and a double overtime lost to Talawanda. The team displayed some accurate shooting and fine teamwork in their tough season. The highpoints of the season were the trouncings of Troy, Kiser, and Fremont. Throughout the season, the Eagles maintained their praise and battled with the spirit and courage of true Men of Chaminade.

Head Coach Tom Frericks works out some new patterns.

Assistant Coach Ed Marrinan checks the scoring of the next opponent.

FIRST ROW: Torlina, Focke, Guttman, Powers, Alexander. **SECOND ROW:** Bosl, Spang, Huber, Coach Weber, Kinsley, Fleming, Hosfeld.

Mr. Vern Weber did an outstanding organizational job in his first year as golf coach. The Eagles played fifteen matches, coming out on top in eleven of them. In the City League they won six out of nine, which was good enough to merit third place. This year's team, although they won no championships, improved as the season progressed. At the Tri-State Meet in Hamilton, they finished sixth out of 28 teams. The high point came during the last week of the season, when they crushed a good Fairview team 14-2. A team score of 336 earned Chaminade a seventh place among the 28 teams in the District Meet.

Tennis

Chaminade's 1958 tennis team, under the able leadership of Coach Don Frericks, ended this year's season with a 13-4 record. The Eagles placed third in the city competition, having lost two matches during league play. The highpoint of the season was when Tom Scheper and Dave Dahm swept the district doubles title and went on to reach the semi-finals in the state tournament. Next years team should possess the experience needed to send it all the way as only two regulars are being lost through graduation.

Champs again! This season's baseballers represented Cham-inade in true Eagle fashion. Coach Tom Frericks' boys compiled a successful sixteen and two record. Not only were the Eagles City League Co-Champs, but they also captured the District Title and advanced to the Cincinnati Regionals. Here they played in major league style at Crosley Field, defeating Springfield in the afternoon 5-4, and then bowing to Cincinnati Elder, who subsequently won the State Title, in a 7-6 thriller under the lights. The Eagles played some brilliant ball as attested by their fine record. Although certain individuals performed outstandingly, their success was a team effort. Captain and Centerfielder Bill Kennedy led the team in batting with a .430 average. Ron Lauterbach, Fred Ehrensberger, and Gary Finnegan provided the scoring punch. They batted .345, .330, and .320 respectively while producing the long ball. Senior Bill Burgmeier, juniors Tom Albers, Dick Beckerich, Jack Unverferth, and sophomore Tom Maurer also contributed a fair share to the Eagles' success. Senior Ted Ling and junior John Bistrek led the pitching corps with seven victories apiece. The Eagles' fortunes in years to come should be well in hand, as the nucleus of another championship team will be returning.

ACTIVITIES

Religious

Chaminade students have the opportunity for daily Mass and Communion in the school chapel.

A student attends Chaminade to develop his abilities both as a leader and a Catholic. The role religion plays in the life of the school is obvious. Daily Mass is a part of the Chaminade school day, just as is after-school Confession. Other important religious activities of the school year are the Mass of the Holy Spirit, weekly Benediction during Lent and the month of May, the Rosary Rallies, and the Underclassmen's Retreat. Highlighting the completion of four years at Chaminade, the seniors receive the privilege of attending a closed Retreat at Mount Saint John.

Activities

The most far-reaching organization in the school is the Chaminade Sodality. This active organization is entrusted with the task of encouraging the student body to live a full Christian life under the auspices of Mary. It is the Sodality's responsibility to see that every phase of student life — intellectual, cultural, social, and athletic — is permeated with the Spirit of Christ, Son of Mary. The Sodality's theme for the year has been "The Student and the Parish." In order to develop parish-minded students the Sodality sponsored a Study Day and Study Evening and invited the students of St. Joseph's and Julianne to share in the benefits.

The Chaminade Marching Band started its season with an appearance at the County Fair. In addition to its half-time shows at all the football games, the band marched in the Holy Name Parade, the CYO Youth Rally, and The U.D. Homecoming Parade. The band this year played the popular hits "With a Little Bit of Luck" and "Around the World." It also repeated the script CHS and saluted the Alumni, the Catholic Youth Organization, and the United Nations. With only eight seniors graduating, the band can look forward to bigger and better things from this, its peak year.

Mr. James Wolf, Assistant Conductor

Something new was added this year. For the first time, Chaminade had a secondary marching unit on the field. The Drum and Bugle Corps and the Rifle Drill Team performed at most of the football games, the fairgrounds, all the parades, and put a show on for the rally for the championship games. These units, comprised entirely of freshmen, spent many long hours during the summer and after school perfecting their routines. Under the leadership of Brother Trageser and Mr. James Wolf, they learned quickly and left expectations of better things to come.

A BOOSTER

LAST YEAR

WAS 20 YEARS AGO!

The world is moving at incredible speed these days. We are living in an age of unprecedented and almost unbelievable growth.

Methods have advanced 20 years almost overnight. Ideas that only a short time ago seemed fantastic, are now in actual use in industry, finance, service, and government. Gigantic strides are being made in medicine, science, and engineering. Yet many of these which were unthought of yesterday will be outmoded by graduation day!

An era of astonishing development beckons to the 1958 graduate. Never before in history has there been such an insatiable demand for trained minds as today.

It is from educational institutions that the alert, creative, imaginative brains needed to keep pace with these ever-challenging, ever-expanding demands of progress must come.

Your diploma is your admission into this exciting new world of opportunity. Your education at Chaminade High School, plus your desire for continuing self-improvement, will enable you to assume your responsibilities in the uncharted years ahead.
